Girl Scout Troop 40963 Receives Donation

WATERLOO – At a recent gathering at the Seneca Meadows Education Center, Seneca Meadows landfill presented the Girl Scout Troop 40963 with a donation to help send them on an educational trip to Washington DC.

“This is a once in a lifetime opportunity for these Girl Scouts to learn about the history of our country and broaden their interests as they continue their educational journeys,” offered Troop 40963 leader Karen Howard. “We are so grateful that Seneca Meadows is able to help with this educational endeavor,” added Howard.
